KILWOOD SHORTHORN DISPERSION

Jesse Peasley with Kilwood Beauty's Countess 3rd—Lot 10. This heifer stood first in class of 28 at the International Jubilee Show held in Saskatoon in 1955.

GENERAL INFORMATION

Due to sickness this past summer Mr. Peasley has been advised to quit farming and to slow up a bit. Because of this advice he has sold his farm and is holding this complete sell-out sale of cattle and machinery. Both the cattle and the machinery are of the very best.

Jesse Peasley purchased a lot of good cattle in the formative years of this herd. The top selling females from sales all over Canada were selected and these have been mated to two of Mr. Gallingers best bulls. He started showing his cattle in 1953 at Saskatoon Summer Fair and that year won the Reserve Senior and Reserve Junior and Reserve Grand Champion Female and was awarded the Saskatchewan Brewers Trophy for the best Saskatchewan animal.

In 1954 Mr. Peasley brought out a full string and won six Firsts, four Seconds and three Thirds. He had Senior and Grand Champion bull and Reserve Junior bull. In addition he had the Junior Champion female and cleaned up in the group classes. At the International Jubilee Show in 1955 where the best herds in North America were represented, Kilwood Shorthorns won two Firsts and stood up well in other classes. This was no mean achievement at this "stupendous" Shorthorn Show.

By a process of continual selection the herd has kept improving since that time. The herd has been sifted down to four main cow families as outlined on the page opposite. It was my privilege, together with Mr. E. R. Henderson, Shorthorn Fieldman, to visit the herd the end of August. They are a wonderful lot of cattle. The young bulls and heifers are in great bloom and show tremendous thickness. The cows and their calves look tops and the herd sire is at his peak and should go into a good herd. Everything will be sold out of the pasture in natural breeding condition. Come prepared to buy—we know you will like them.

The herd is Fully Accredited for T.B. and this is a Brucellosis Control Area. These cattle are guaranteed to go anywhere.

As this is a Dispersal all cattle will be sold at the halter and without further guarantee.

The terms of sale are cash. Cheques will be accepted at par.

Cattle may be left, at owner's risk, for a reasonable length of time after the sale.

J. R. BLACKLOCK, Manager,
BLACKLOCK AUCTION SERVICE.

KILWOOD SHORTHORN DISPERSION

KILLEARN SENTRY 25th—Reference Sire

Bought at the 1952 Gallinger sale. Grand Champion at the 1954 Saskatoon Summer Fair. Sired two first prize winners at the International Jubilee Show. Kilwood Sentry 7th (pictured above Lot 15) and Kilwood Beauty's Countess 3rd (pictured opposite).

SIRE: Killearn Sentry -274505- by Killearn Max 5th

DAM: Killearn Village Maid C 3rd -372309-

This bull nicked extremely well with the four cow families outlined below. His daughters have all been retained and they constitute the bulk of the cow herd. He was a winner himself and he sired winners — a Breeders' bull.

THE COW FAMILIES

As previously mentioned the herd in the main traces to four cows:

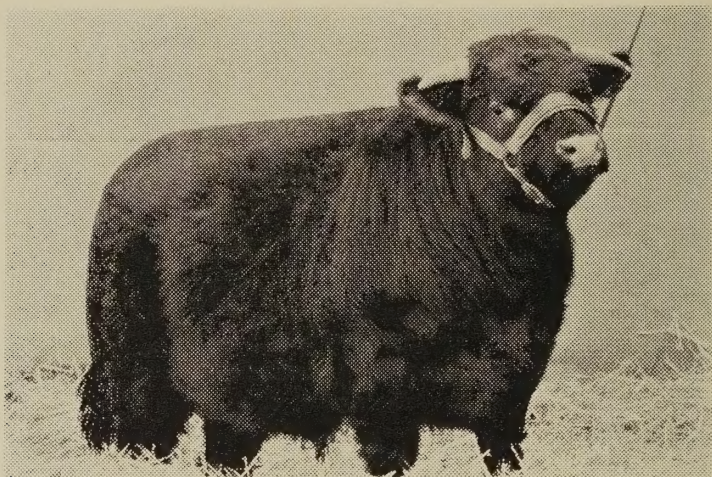

The Countess—headed up by Beauty's Countess—Lot 8, purchased when she was 14 months old from Rhys Williams, Melville, for \$1000. She is the best breeding cow in the herd and her daughters are all good. She is the dam of Kilwood Beauty's Countess 3rd—Lot 10 (pictured) that stood 1st in a class of 28 at the International Jubilee Show. Four daughters and two granddaughters sell.

The Velvets—all tracing to Dafeo Velvet—Lot 15, bought at the Bill Harrison Dispersal for \$1600, top price of the sale. She is the mother of Kilwood Sentry 7th that won over a class of 16 at the International Jubilee Show, and won his class at the 1957 Saskatoon Interprovincial Bull Sale. She was sired by the Toronto Royal Winter Fair Supreme Champion, Killearn Norman 8th. The Velvets were one of Bill Harrison's favorite families. Three daughters and four granddaughters sell.

The Audreys—The Audrey cow—Lot 22—was twice Grand Champion for the late Andrew Slater, Regina. She was the highest selling cow in his sale at \$1500. She was bred by Bill Harrison, Dafeo, and is another daughter of Killearn Norman 8th and out of a Bly Baroness cow. Four daughters in the sale, three by Bluffview Norseman 22nd, Grand Champion at Regina in 1953.

The Nettas—tracing to Braeside Netta who was purchased at Tommy Hamilton's Invitation Sale in 1954 from the Browns of Calgary for \$1375. She was a great show heifer, standing fifth in a strong class at the Jubilee Show. She sells as Lot 29 and has three daughters plus a calf selling.

KILWOOD SHORTHORN DISPERSION

KILLEARN WELFARE 16th—Lot 1

Pictured as a yearling at the time of the Gallinger sale where he was purchased at \$3000. He is a most impressive mature herd sire today

Lot 1—

MALE

KILLEARN WELFARE 16th -361481-

Tattoo YYG 7K rt. ear, red, born March 15th, 1955.

Bred by Claude Gallinger, Edmonton, Alta.

Calrossie Welfare -375449-

Killearn Jewel 10th -410973-
Red, Claude Gallinger

{ Cruggleton Cyril -321188-
(368733) Red, A. J. Marshall

{ Killearn Jewel 4th -383964-
Red, Claude Gallinger

"Welfare" has an excellent pedigree. His grandsire, CALROSSIE WELCOME, was one of the outstanding sires of any breed. He had 55 sons sold at Perth for an average of \$6708 making a total of \$368,952 (this does not include his final crop of calves or the bulls retained for service at home. This group included two Perth Champions. Brothers of CALROSSIE WELFARE that are in service in Canada include A. R. Cross' "Highland Piper"; Louada's "Armada"; Bennett's "Prefect"; and Richardson's "White Emblem".

"Killearn Welfares" dam is a daughter of the Cruggleton Cyril bull that Mr. Gallinger bought at the Winnipeg Flood Relief Sale held in Brandon in 1950. This entire shipment did well in Canada but the supreme of the group was the Cyril bull.

This bull is really nicking with the "Sentry" daughters. We hope he will go into a good herd.
